Located on the second line of the sea, the location of this villa is one of its greatest advantages, offering a perfect combination of privacy and convenience.

All of its rooms also have central heating, electric blackouts and double-glazed frames.

This fantastic villa is equipped with solar panels, alarm, central vacuum, heat pump and sea views where you can enjoy a splendid sunset in the late afternoon.

Located in the parish of Gulpilhares, in Vila Nova de Gaia with Contemporary Architecture, excellent finishes, with 2 fronts, privileging natural light through the large, glazed areas of the house. For car lovers, the closed garage is excellent and is equipped with electric gates, offering security and convenience.

Its strategic positioning provides proximity to schools, healthcare spaces, shopping and service

locations, and highways.
100mts from Dunas Mar Beach

Don't miss the opportunity to make this house your new home!
